

USEP-OHIO Program Resources

United Services for Effective Parenting-Ohio, Inc. has selected the following resources to provide professionals and parents with current programs and products that support the critical work they do to nurture children in their care. Our mission is to promote the well-being of families and to support those who work to nurture Ohio's children by developing human and financial resources and programs to that end.

www.usep-ohio.com our website including information for parents, early childhood professionals, specialty programs, safety issues and more. Access to Parent Tips and E-Updates.

Emailed Publication: The USEP-OHIO E-Update comes directly to you!

Just signing up gets you this including:

USEP-OHIO "Parent Tips" - to support your work as teaching professionals. Tips can be emailed directly to professionals and used to educate and support the parents they serve, or distributed as education handouts, conversation starters, newsletter articles or method of staying "in touch".

USEP-OHIO "Parent and Educator News" – including a variety of topics targeting physical, social, emotional, intellectual development birth through adolescent. Occasional special topic issues focus on early childhood, school-aged children, adolescents, parents and professionals.

"Education Updates" – that contains tips for program support and the latest news from the Ohio legislature, State Board of Education, Washington, DC, and a variety of reports on research, what's ahead in the education picture from Ohio sources and the federal programs for children.

USEP-OHIO "Training Events and Resources" – listing events, resources, websites and programs.

Resources available from USEP-OHIO - at conferences or email orders usepohio@usep-ohio.com:
